

ASHA WORKING COWHORSE CLASS
LIMITED NON-PRO & GREEN HORSE
(Total of 2 Minutes)

Part One – Boxing the Cow

The rider shall ride into the arena and face the cattle entry gate. The rider shall signal for their cow to be turned into the arena. Upon entry into the arena, the cow shall be controlled on the entry end of the arena for a sufficient amount of time to demonstrate their horse's ability to "hold" the cow.

Part Two - Release Cow and Drive Cow Down Side of Arena to Opposite End of Arena

After the cow has been controlled on the entrance end of the arena, the rider shall deliberately release the cow and set up for driving down the side of the arena. When coming out of corner, the horse shall be close enough to cow to demonstrate control with cow against the fence. This distance and control should be maintained for approximately three-fourths length of arena. Rider will then back horse off of cow and move horse toward center of arena to set cow up for boxing.

Part Three – Boxing the Cow at Opposite end of arena

The exhibitor will again control or "hold" the cow at this end of the arena to demonstrate the horse's ability to "hold" the cow. Continue boxing until time expires.
